

FORMATISSIA® COMPLIANCE WITH 21 CFR PART 11 REQUIREMENTS

CAMAS certifies that FORMATISSIA® meets the requirements of 21CFR part 11 regulations of the FDA (Food & Drug Administration).

The software compliance to the various requirements are detailed in the document 180213_CamasFormatissia_21CFRPart11_Declaration.pdf available on request from CAMAS.

The compliance of the software operation with the regulations is ensured through control mechanisms and procedural instructions which definition is client's responsibility.
